ATLANTA CENTER FOR REPRODUCTIVE MEDICINE

(Multiple locations, atlantainfertility.com) This practice opened its doors in 1998 and is especially known for its LGBTQ+ family building programs that have become a cornerstone of its offerings.
INSIDER TIP See Dr. Lisa A. Hasty for her expert knowledge in egg freezing; the practice also offers hereditary genetic cancer screening in embryos for added precaution.

BUCKHEAD COSMETIC AND FAMILY DENTISTRY

(316 Pharr Road NE, buckheaddentistry.com) Owned by Dr. Bahar Nia, this revered practice, the go-to for everything cosmetic dentistry, offers an array of services for the city's VIPs at its Buckhead-based facility.
INSIDER TIP Try the cosmetic smile makeover service, which results in the most personalized custom smile you can imagine, with even each tooth's shade chosen to match your facial features and complexion.

DERM CLINIC MD

(3833 Roswell Road NE, Ste. 108, dermclinicmd.com)
From cosmetic treatments to its in-house laser technology for skin resurfacing, age spot removal and more, Dr. Arshia Payman's practice has opulent offerings aplenty.
INSIDER TIP For Atlantans suffering from temporomandibular joint disorder, this practice offers Botox treatments specifically for TMJ.

GREATER ATLANTA ORAL FACIAL SURGERY

(3833 Roswell Road NE, Ste. 110, oralsurgeonatlanta.com)
Greater Atlanta Oral Facial Surgery is the only oral surgery office in Georgia certified by the Accreditation Association for Ambulatory Health Care.
INSIDER TIP Spot Dr. Abtin Shahriari helping Quendella battle a medical condition that's affected her smile on TNT's *Chasing the Cure*.

NORTH ATLANTA PLASTIC SURGERY

(3180 N. Point Parkway, Building 500, Floor 3, Alpharetta, dramyalderman.com)
Dr. Amy Alderman and Dr. Aida Joiner have become the go-tos for Atlantans looking to give their face or body an extra boost.
INSIDER TIP New senior laser practitioner Renee Sullivan has joined, helimg the practice's newest laser technology: Sciton's HALO and BroadBand Light.

OVME

(3167 Peachtree Road NE, Ste. G, ovme.com)
Since opening its shiny doors a little over a year ago, OVME has been a force to be reckoned with in luxury medical aesthetics. Dallas, Nashville and soon-to-open Charlotte keep the rest of America looking flawless.
INSIDER TIP Not only is the Buckhead outpost expanding its digs at Buckhead Exchange, but word on the street is Atlanta's OTP dwellers can expect an East Cobb location to bow shortly too.
